

EVALUAREA DE CĂTRE STUDENȚI A DISCIPLINELOR DE STUDIU ȘI A CADRELOR DIDACTICE – SPECIALIZAREA CONTABILITATE ȘI INFORMATICĂ DE GESTIUNE - ID

Periodic studenții de la Facultatea de Științe Economice – Specializarea CONTABILITATE ȘI INFORMATICĂ DE GESTIUNE I.D. răspund la chestionarele de evaluare a disciplinelor de studiu și a cadrelor didactice. Astfel, chestionarele sunt definite în Google Forms și studenții completează online aceste chestionare, fără a menționa numele și prenumele sau alte date de contact.

Exemplu chestionar evaluare disciplina de studiu si cadru didactic

The image shows three sequential screenshots of a Google Form. The first screenshot displays the title and introductory text of the survey. The second and third screenshots show the main body of the form, which consists of multiple Likert-scale questions (e.g., 'Cadrul didactic este bine pregătit', 'Cadrul didactic este interesant') with five response options ranging from 'Foarte puțin de acord' to 'Foarte de acord'.

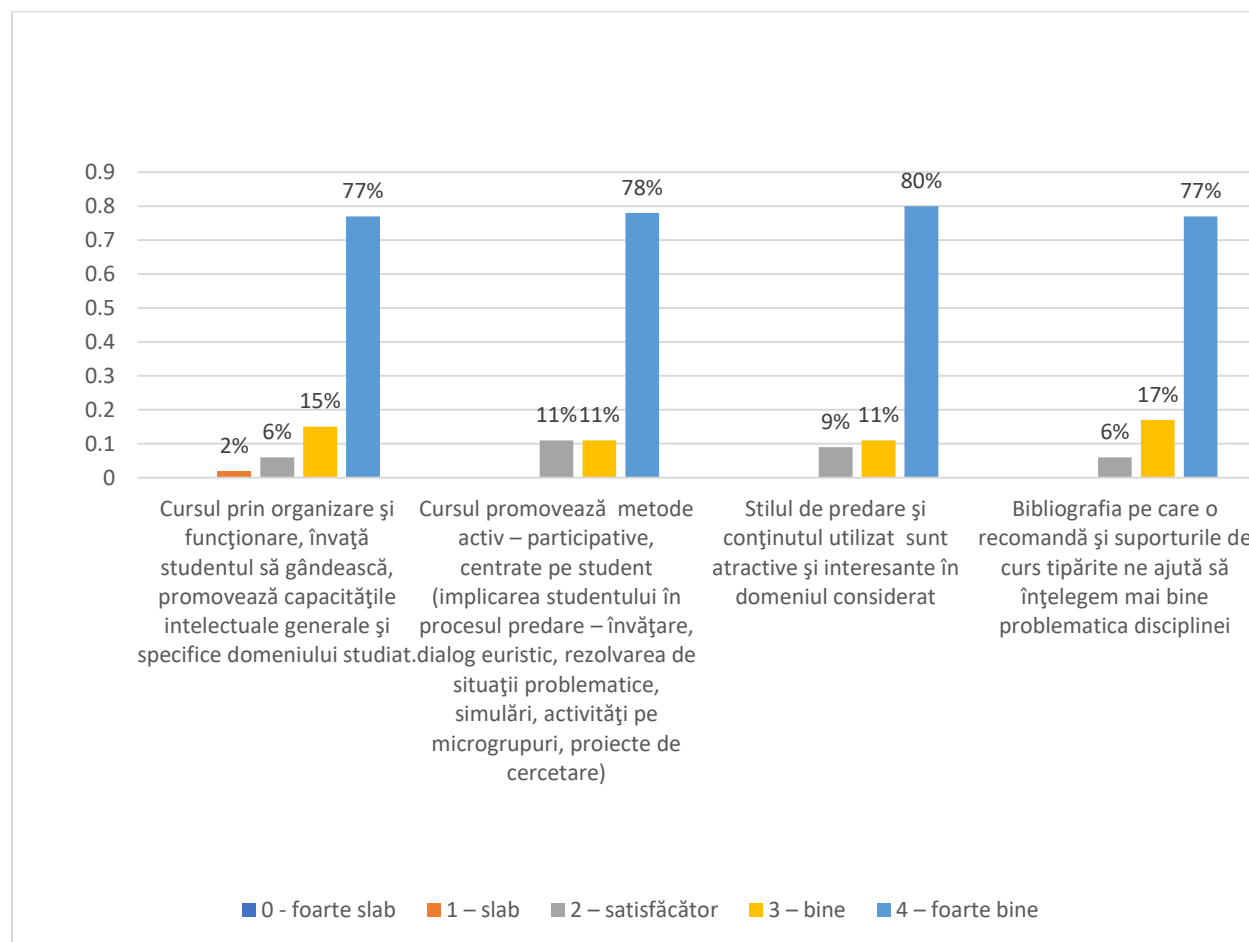

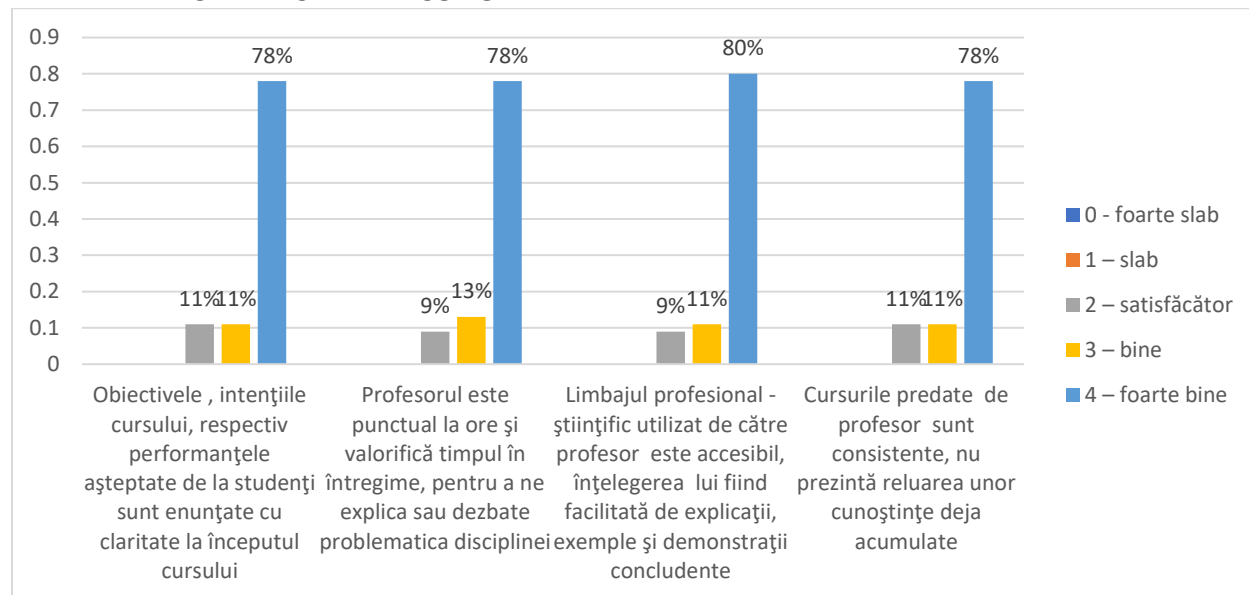

Fiecare student de la CONTABILITATE ȘI INFORMATICĂ DE GESTIUNE I.D. a primit un mesaj de genul celui de mai jos prin intermediul Platformei ID-Hyperion în vederea realizării acestei evaluări periodice.

Având în vedere rezultatele obținute în cadrul acestei evaluări, conducerea Facultății de Științe Economice a propus următoarele măsuri:

- instruirea periodică a cadrelor didactice în vederea menținerii unui nivel de apreciere cât mai ridicat din partea studenților;
- revizuirea periodică a materialelor suport realizate de cadrele didactice în vederea prezentării unor informații actuale din toate domeniile de studiu;
- asigurarea transparenței instituționale și diseminarea rezultatelor centralizate ale acestei evaluări prin mijloacele de comunicare ale Universității Hyperion;
- îmbunătățirea metodologiei de cercetare în vederea creșterii cu minim 10% a numărului de studenților respondenți la următoarea evaluare a disciplinelor și cadrelor didactice.
